

Our school is committed to providing all students with a safe, caring, and inclusive learning environment free from bullying and harassment that promotes respect, acceptance, and empathy.

Our staff, students, parents, and community will work together as a team to make our school safe and welcoming for everyone.

## Safe and Inclusive School Plan

### Ensuring Positive Learning Environments

This year we are focusing on inclusion.

We are doing this because everyone should feel seen, heard, and valued..

#### Throughout the year, we will be:

1. Encouraging “student voice” and “choice”.
2. Exploring and celebrating personal identity.
3. Celebrating our unique identifies and how they contribute to the collective Spitfire Community.

#### Community/Home Connections

Ask your child about what they want others to know about them. Consider friends, classmates, school staff.

Try developing an awareness of personal identity at home with your child by talking to your child about how each of us has similarities and differences to help them be comfortable and confident in who they are. Encourage your child to take pride in their home language and culture.

Check out this resource [Personal Identity Wheel](#) about developing an awareness of personal identity.
